

## UNIT 8 > Green solutions

### Lesson 8.1 Green business

**VIDEO A**  8.1.1 Watch the video again. Who said what? Write P (Presenter), M (Matias) or J (Juan).

- 1 \_\_\_ In the summer months 5,000 visitors arrive every day at this popular surf and tourist destination.
- 2 \_\_\_ In recent years, developers have made plans for large construction projects along the cliffs.
- 3 \_\_\_ ... a lot of private projects, real estate projects – big ones – wanted to be developed here ...
- 4 \_\_\_ We have a real threatening situation for such a special place like this one.
- 5 \_\_\_ Together they want to stop private construction on the coast and to keep the cliffs open to the public.
- 6 \_\_\_ If you put a thousand or fifteen hundred cars here you can take an hour, hour-and-a-half to just go a mile out back to the highway.
- 7 \_\_\_ This small hotel is by the beach at Punta de Lobos.
- 8 \_\_\_ Designed to have as little impact as possible on the area, it was built with local and recycled materials.
- 9 \_\_\_ ... we don't want it to be like a big hotel five-star resort, ...
- 10 \_\_\_ ... we are a developing country, we're just getting started and we can learn from so many mistakes ...
